Subject: Reassessment for Cessation Order MC2007-03-05, Decorative Landscaping, T & M Holdings, S0350023, Salt Lake County, Utah

Dear Mr. McInnes:

The proposed civil penalty assessment for the above referenced cessation order was sent to you on September 5, 2007. At that time the abatement had not been completed and some of the facts surrounding the violation were not available. In accordance with rule R647-7-105, the penalty is to be reassessed when it is necessary to consider facts, which were not reasonably available on the date of the issuance of the proposed assessment. Now that the Cessation Order has been terminated (termination notice enclosed) the assessment can be completed. Following is the reassessment of the penalty for the cessation order:

- MC-07-03-05 Violation 1 of 1 \$1650

The enclosed worksheet specifically outlines how the violation was assessed. You should note that good faith has now been considered and some points were awarded which reduces the penalty.

Under R647-7-106, there are two informal appeal options available to you:

1. If you wish to informally appeal the fact of the Cessation Order, you should file a written request for an Informal Conference within thirty (30) days of receipt of this letter.
